

Check List

Please be aware that you will need to confirm a number of things well before the actual conference begins. One of the key areas of concern is accommodation.

During the Easter Weekend there are a number of other events taking place in the Bundaberg Area which will limit your options considerably. To ensure that everyone is settled, we are asking you to please make it a priority to confirm all your details and lock in your accommodation needs as early as possible.

We have also attached the WANTOK 2012 Poster which we are asking you to please circulate. These can be placed in your local community centre, place of business or local Post Office to name just a few.

Please read through the following pages and confirm your details as soon as possible.
